- I wish Médecins Sans Frontières (MSF) to treat all gifts in the last 4 years, this gift and all future gifts as Gift Aid donations. I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.

“We are not sure that words can always save lives, but we know that silence can certainly kill.”

Dr James Orbinski,
 Former MSF International President

For us saving lives is more than our frontline medical care, it’s about speaking out against injustice or persecution. To have the most impact on people’s lives we need to be able to tell their stories, which often remain untold. By choosing to ‘opt-in’ to receive communications from us you will help the impact of our work go as far as it can. We will not share your data for marketing purposes, nor will we bombard you with constant appeals. You can ‘opt-out’ or change how you hear from MSF by emailing uk.fundraising@london.msf.org or calling 020 7404 6600. For more information please view our Privacy Notice at msf.org.uk/privacy.
